Part No.: **PC5654X**

Est. Installation Time: **less than 15 min.**

Cadillac CTS (2003-14), SRX (2004-09), STS (2005-11)

The cabin air filter is located under the cowl cover panel, on the passenger side.

1. Turn the wiper arms to the upright position
2. Open the hood
3. Remove the 4 screws securing the cowl cover on the passenger side
4. remove the weather strip from the passenger side.

5. Remove the cowl cover, unhook the tab on the lower corner of the windshield
6. Locate the cabin air filter housing cover. Unclip the latchets form both sides and remove the cover
7. Pull out the old filter
8. With the air flow pointing to the rear of the vehicle, insert the new filter. Make sure it slides in the housing and the locating tabs secure it.
9. Install the housing cover
10. Revers steps 5 through 1 to conclude the installation
