

CABIN AIR FILTER – INSTALLATION INSTRUCTIONS

Part No.: **PC5674**

Est. Installation Time: **less than 15 mins**

Hyundai OE: 97133-1E000, 97133-1E100

The Cabin air filter is located under the dash on the passenger side of the vehicle behind the glove box

- Open the glove box
- Remove the two stops (clips) on the inside of the glove box and allow the glove box to swing downward
- Release the tabs on both sides of the access door to remove the cabin air filter access door
- Remove the old cabin air filter, taking note the air flow arrow indicator on the side of the old filter
- Insert the new filter into the assembly, making sure the air flow direction is correct according to the arrow indicator
- Replace the rest of the glove box assembly by reversing the removal procedure

This is only a guide and may not be for exact model. See Owner's manual and/or local mechanic for exact instructions for the particular model.
