

# CABIN AIR FILTER – INSTALLATION INSTRUCTIONS

Part No.: **PC6067X** Est. Installation Time: **less than 15 mins**

**Hyundai / Kia OE: 971333M000**

The Cabin air filter is located behind the glove compartment

- Open the glove box
- Remove the glove box stoppers located on the right and left sidewalls of the glove box to lower the glove box (Fig 1)
- Remove the stoppers by pulling each clip toward the rear of the vehicle and toward the center of the glove box (Fig 2)
- Allow the glove box to swing down
- Remove the door by pinching the tabs together and unclipping it from the housing
- Remove the old filter from assembly, taking note the air flow arrow indicator on the side of the old filter
- Insert new filter into the assembly, making sure the air flow direction is correct according to the arrow indicator
- Replace the rest of the glove box assembly by reversing the removal procedure
