

CABIN AIR FILTER – INSTALLATION INSTRUCTIONS

Part No.: PC6071X

Est. Installation Time: less than 15 mins

VW/Audi OE: 8K0819439A,8W0819439B

The Cabin air filter is located on the passenger side of the vehicle beneath the glove box

- Remove the lining by pulling it straight back
- Locate and remove the 3 plastic screws holding the gray foam cover
- Remove the panel (Fig 2)
- Locate the cabin filter cover and gently slide the cover to remove it (Fig 3)
- Remove the old filter from the housing, taking note the air flow arrow indicator on the side of the old filter (Fig 4)
- Insert the new filter into the housing, making sure the air flow direction is correct according to the arrow indicator
- Ensure that angled corner is at the upper right side.
- Replace the rest of the glove box assembly by reversing the removal procedure
