

CABIN AIR FILTER – INSTALLATION INSTRUCTIONS

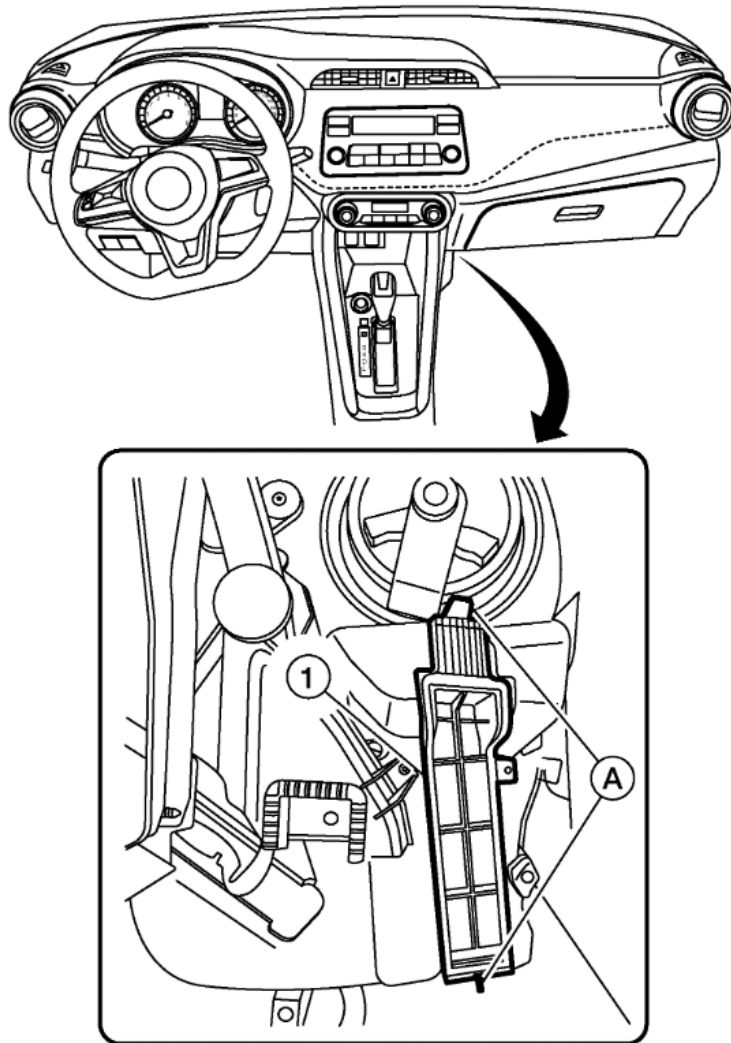

Part No.: PC99374X

Est. Installation Time: less than 15 min

Nissan OE: 27891-5RB0A

The Cabin air filter is located under the dashboard and can be accessed from the front passenger floorboard

- Remove instrument lower cover RH.
- Release the clips (A) and remove old filter from the housing
- Insert new filter making sure it is in the right air flow direction. See side of the filter for indication
- Installation is in the reverse order of removal

This is only a guide and may not be for exact model. See Owner's manual and/or local mechanic for exact instructions for the particular model.
